

# Member Referral Rewards Program

Refer new members to AlaTrust and earn cash.\*

Refer new members to AlaTrust and earn cash. All you need to do is fill out this referral coupon and give them to your friends, family and co-workers. The new member will then bring this completed form to any AlaTrust branch and present it to the member service representative when opening their qualifying\* account. How easy is that?

Each referral that opens a new account\* with AlaTrust and lists you as the referring member earns you a \$25 cash award. The new member also earns a \$25 cash deposit into their new AlaTrust checking account. Anyone that Lives, Works, Attends School or Church within Counties in our service area may join. Your family members may also join, even if they live in a different county or state. Simply refer eligible members with the referral coupon and encourage them to join. What are you waiting for?
