

# Remote Deposit Capture FAQ's

## What is Remote Deposit Capture?

Remote Deposit Capture is a service that allows you to deposit checks into your account electronically. You can use the mobile app to scan and deposit checks from your smartphone or tablet. This service is available for personal and business checking accounts.

## Why use Remote Deposit Capture?

Remote Deposit Capture offers you the convenience of making deposits on your time schedule whether you are at home or on the go. You no longer have to drive to your branch and wait in line.

## Who is eligible for Remote Deposit Capture?

In order to use Remote Deposit Capture, you must be an AlaTrust member who meets the following requirement:

1. At least 18 years of age
2. Active checking account open at least 60 days
3. No history of returned checks or negative share draft account balances
4. Valid & active email address
5. Must have the AlaTrust mobile app

## How do I sign up for Remote Deposit Capture?

Login to our mobile app. Click the menu button and click on the Mobile Deposit tab and complete enrollment process. You will receive a registration approved or denied email within 24 business hours.
